

The deeper you look into Ahmed's Clock background....the shadier it gets.
Some interesting details.....

[Jonathan Langdale](#) The Micronta clock (used in clock boy's experiment) has previously been used as the clock part of a bomb in bombings in the past, for example this bombing of, [an Air India flight on the way to Canada killing 329 people](#).

[VDare](#): Ahmed's father regularly runs for president of Sudan

The school day just prior to Ahmed's stunt was Friday, September 11

Coincidentally....a nearby [high school in Plano](#) was the subject of a publicized and frightening bomb scare on 9/11/2015.

Ahmed had to have known that his clock would look suspicious.

Listen to this statement from his father:

"Because his name is Mohamed and **because of September 11th**," Mohamed told The Dallas Morning News, "I think my son got mistreated."

[Clock boy's dad is the Imam who played Defense Attorney when Koran-burning preacher Terry Jones put the Koran on trial](#)

Clock-boy's dad and uncle run businesses in Irving Texas at an office complex called "[TWIN TOWERS](#)"

....coincidence?

"Clock" Boy, Ahmed Mohammed's father is Mohammed Elhassan Mohammed. His Uncle is Aldean Mohammed.

Do Mohammed Elhassan Mohammed and His Partners Own These Buildings?

According to [Mark Steyn](#), [Clock boy's uncle runs a trucking company called "Twin Towers Transportation"](#)

[Ahmed's uncle, Aldean Mohamed](#) admits that the family is still processing all the attention and that the events will be a big change for Ahmed.

A website called [Corporation Wiki](#) provides details about "[TWIN TOWERS Transportation Corporation](#)"
