Decoding Geopolitics with Dominik Presl:

Denys Davydov: is a former civilian pilot who always wishes his viewers a peaceful sky. Every evening he gets out the maps and lets everyone know which piece of territory Ukraine has taken, and what possible strategies there are to liberate even more. As a Crimean, he was in seventh heaven when there were explosions in the area from cigarette-smoking Russians.

Divine Justice: Welcome to Divine Justice.

On our channel, we primarily produce content in the style of review-reporting on the Russia-Ukraine tension. In addition, we aim to present to you the political-political developments in the hexagon of Israel, the USA, Turkey, France, United Kingdom and China as quickly as possible. If you follow us, it is impossible to lag behind the world agenda. You can support us by subscribing...

Eli from Russia: Hi there! I am Eli, I'm happy to share my insights and inspiration with you. I travel to off the beaten path places of Russia & other parts of the world, and I love to talk about my culture and explore new things. Welcome to my channel :)

European Resilience Initiative Center: EuroResilience is a channel about defence & wars, security & foreign policy, military tactics & strategies, warfare & army reforms, propaganda, disinformation & misinformation, politics, hybrid warfare.

History of Everything: Hello there, I am a major in modern history, working towards my Masters Degree.

I firmly believe in a mantra of "No more lazy history."

By this, I mean that events and definitions should be examined and used correctly and that, above all, context matters.

I hope you enjoy your stay here and learn a thing or two. As always, research is key, so if you want to disagree with me, that is okay, but do your due diligence and back it up with sources.

If you have an idea for a video, just leave a comment, and I will have a look.

Jake Broe: I am a United States Air Force veteran who served for six years (O-3) as a Nuclear and Missile Operations Officer (13N).

Info Flow: U.S.A. based

Insights from Ukraine and Russia: The main purpose of this channel is to give people around the globe an opportunity to get a peek on what's actually going on in Ukraine, Russia and Belarus.

I'm not a propagandist of any kind. I'm just trying to get the idea of why people from neighboring country [countries] do such things to my nation. :(

I'm sure in the future the content of this channel will be much more bright and positive, but it won't be so while Ukrainians are suffering from the Russian invasion.

Insights from Ukraine and Russia: Insights from Ukraine and Russia shows intercepted phone calls between soldiers on the frontline telling relatives how they are suffering from counteroffensives by the AFU.

A lot of the conversations includes swear words which have to be bleeped out.

Russian commanders are often criticized by their soldiers as is Putin. Mothers want their sons to continue fighting and some even live in hope of getting "coffin money" if their son gets killed, so they can buy themselves a prized Lada.

Into Europe: A channel to overcome European biases and differences, and offer a cautiously optimistic outlook on Europe's future.

Into Europe is a channel with no external funding covering European topics related to geopolitics, politics, policy, and the news in general.

JavinKyiv: (No data yet available as to who this guy is, but that information is irrelevant based on what he shares.)

Joe Blogs: "Risk comes from not knowing what you're doing!" - my favorite Warren Buffet quote.

My mission is to provide videos that are HONEST and EASY TO UNDERSTAND using FACTS to help improve your knowledge and make your life better.

I produce content that I would want to watch and hopefully you will too.

John Anderson: John Anderson served as Deputy Prime Minister of Australia for 6 years between 1999 and 2005 under John Howard.

We hope you enjoy this Conversations series where John is joined by some of the world's foremost thought leaders to examine in detail the social, cultural and political landscape we live in today.

Proper robust dialogue is necessary if we are to continue to be a successful society.

As John says: "You cannot get good public policy out of a bad public debate."

Johnny FD: Johnny FD is a wealthy businessman from California, who now lives in Kyiv, Ukraine. He donates a lot of his own money to Ukrainian causes, and goes out and meets Kyivites and informs

viewers about daily life in Ukraine. He recently did a video in Kyiv's main post office where he had to wait in a long queue and was not happy.

Johnny loves his food, whether it's frequenting a posh Kyiv restaurant or cooking at home. In one video, while he is eating with his friends, Dmytro Kuleba, Ukraine's foreign minister, happens to walk past with what could be friends or bodyguards.

It's quite sad to see him get ill when there's no heating in his flat. He even has to drink a huge flask of ginger honey to make himself feel better. But even when life sucks, he still prefers to be in Ukraine and is happy to tell everyone about it.

Kevin Paffrath (Meet Kevin): Kevin is a licensed financial advisor, active ETF manager, real estate broker, former lender, former licensed contractor, and educator. Kevin provides commentary on the economy, entrepreneurship, stocks, and real estate. Kevin strives to share his knowledge and experiences to help you build wealth and achieve financial freedom.

In addition to his work experience, he holds these licenses: Real Estate Agent; Real Estate Broker; California General B Contractor License; Series 7; Series 63; NASAA Series 65, Investment Adviser Representative; FAA Drone Pilot; and Mortgage Loan Originator (Lender.)

Konstantin Samoilov (Inside Russia): I tell you things about Russia that other vloggers don't.

Born and raised in Russia, I spent first half of my adult life in living in foreign lands and have been residing in Russia for the past 14 years. I share my takes on how it is to be living in today's Russia, its highs and lows and how life is different from other countries here. I tell raw truth, the good, the good and the ugly. If you are interested in learning more of this vast, mysterious and isolated land, make sure to subscribe to get regular updates from Mother Russia.

Khrystyna from Ukraine: I'm Khrystyna and here about: - life in Ukraine - our life in Kyiv - other interesting things about Ukraine in general.

All the time my family and I were and are now in Kyiv in Ukraine.

Thanks to each of you for supporting in the development of my channel and if you want to know more about real life in Ukraine - stay with me.

Glory to Ukraine!

Kyiv Independent: The Kyiv Independent is Ukraine's English-language media outlet, created by journalists who were fired from the Kyiv Post for defending editorial independence.

The Kyiv Independent provides fair and reliable news on a variety of topics. From Russia's war against Ukraine and disinformation campaigns to the ongoing pandemic and medical procurement, from human rights in occupied Donbas and Crimea to reforms in Kyiv, nothing will escape the view of the Kyiv Independent.

Lei's Real Talk: With my Chinese background and experience in finance, censorship, media, and totalitarian government, I offer a fresh perspective in analyzing and interpreting world political and economic events with a focus on China and Chinese economy. I believe that wisdom is knowing the value of kindness, and courage grows from being selfless. Those values have guided me through each step in making these videos.

Live: Ukraine: Be aware of what is happening in the country that protects the entire civilized world!

The Warning with Steve Schmidt: There is a very significant, “exhausted majority” of Americans looking to move past this rotten moment in American life. They have lost trust and faith in government, business, media and not-for-profit institutions at a moment of technological, cultural and economic upheaval. Fascism did not rise in the 1930s because it was strong, but rather, because democracy was weak. The cycle is repeating itself with a new extremism rising in 2020s America. This newsletter will help readers orient to the currents that are shaping our times and the unseen forces driving politics that are rarely discussed on cable news.
