Syria:

A Christian girl was killed by US backed Free Syrian Army rebels who jammed a crucifix down her throat – after they viciously raped and tortured her.

On December 3, 2013 Rep Adam Schiff of California asked for and was granted permission to address the United States House of Representatives for a few minutes regarding the plight of Christians in Syria.

“Mr. Speaker, as winter descends upon the Middle East, the plight of Syria’s people who have endured nearly 3 years of savage civil war grows more desperate with each passing day.”

“Fighting rages on throughout much of the country, and with the government forces making headway in recent months, many of the rebel groups have splintered, turning on each other. As in wars throughout history, it is civilians, especially children, who have borne much of the suffering. More than 9 million Syrians are in need of humanitarian assistance, and a quarter of these, 2.2 million, have fled the country, mostly to neighboring Lebanon, Jordan, and Turkey. Half of those refugees, more than a million people, are children”, he said.

“Another 6.5 million Syrians are internally displaced, having fled their homes, but remaining inside the country, often in parts of Syria that have changed hands on multiple occasions and with attendant civilian suffering. While all of Syria’s people have been affected by fighting, it is Christians, who make up about 10 percent of the country’s population, who are at greatest risk, given their small numbers and the increasingly religious nature of a war that started out as a broad-based secular movement that sought to change the character of the Syrian regime but not the regime itself”, said Schiff.

For two millennia, Syria has been home to one of the oldest Christian communities in the world, a population dominated by the eastern churches, but also including smaller numbers of Catholics and Protestants. Syria’s Christians have been comfortably and fully integrated into the economic, political, and cultural life of modern Syria and, despite their small numbers, are well represented among the country’s elite. Tragically, this long, peaceful coexistence has been shattered, and half a million Syrian Christians, nearly one in four, have fled the country since the fighting began.

Like minorities the world over, Syrian Christians have tried to avoid getting dragged into the fighting that has gripped their homeland; but with their top two population centers, Aleppo and Homs, having seen some of the most savage fighting in the war, Christians have been unable to avoid being drawn into the conflict”, said Rep. Schiff (source: Congressional Record <http://thomas.loc.gov>).

Boko Harem, Nigeria

**The calling card of the Boko Harem...
...Christians burned alive in their church.**

Cuomo mentioned Indonesia:

One of three teenage Christian girls beheaded by Indonesian Muslims in 2005. The severed heads of the dead girls were found several miles away from their bodies, one was placed in front of a church.

Shi'ite Muslims believe that cutting themselves on the Day of Ashura is a way of cleansing away sin

This Shi'ite Muslim child had his head gashed during a procession ahead of Ashura in Mumbai, India.

Cuomo Also mentioned Pakistan:

"Muslims in Pakistan took a young Christian girl and smashed her against some rocks, and she died right in front of her father, Akram Masih. Her and her father and mother, Parveen Bibi, were slaves to a Muslim brick kiln, and they were constantly beaten and cruelly abused by their slaver owners. The Christian girl was terribly ill and her parents begged their slave owners to loan them some money to pay for her treatment, but instead they murdered her before the father's eyes. The daughter was very ill, and her brutal murder was recounted by her father who said:

"They pushed her as well and she fell down on the nearby stones and she died on the spot. My daughter died in front of my eyes, they pushed my sick daughter, which led her to her death and I was helpless and was unable to do anything."

THIS is the sort of evil liberals trip over themselves to defend!
